

SoaringNV XC Clinic

May 22nd-June 4th

June 26th-July 9

SoaringNV's 2016 Cross Country Clinics are meant to further your personal cross country skills. Individualized instruction based on your current experience will include small group instruction, or individual instruction where appropriate. Unlike the 'camp' format, you will have a glider and an instructor assigned to you for the day. You may come for as many or as few days as fits your schedule. We do expect you to arrive at camp proficient in the basics of flying. The clinic will hone skills such as: centering thermals, reading the sky, speed to fly, cross-wind landing, land-outs, weather forecasting, and flight planning.

Sign up instructions and policies:

Everyone should complete the XC Clinic registration form.

Clinic pricing is as follow: Reservation deposit required is \$200 per day. You are not signed up until your deposit is received. This deposit is refundable only if we can fill your spot from our waiting list. Billing for instruction and flight is our current price list pricing, with daily billing being no less than \$200 and no more than \$700. Items included in the \$700 cap are: glider rental, instruction, tow, parachute, oxygen, cannula, flight recorder. In the event of a land-out, the student may incur an extra cost over and above the \$700 cap for a ground or aero-retrieve.

Lead and follow will be approved by Mark Montague or his designee. The price for lead and follow is \$50/hr, take off to landing, for both the follower and the student in the two-place ship with the leader. In the case of a single glider following an instructor in another single seat glider, our regular instruction fee applies.

Registration Information

Type your responses and save this form before e-mailing to info@soaringnv.com.

You can mail your payment to SoaringNV, 1138 Airport Rd, Minden, NV 89423,
